Training for students on entrepreneurship

EXPRESS NEWS SERVICE
@ Tirunelveli

A THREE-DAY entrepreneurship awareness camp sponsored by Entrepreneurship Development Institute of India, Gandhinagar, Gujarat was conducted by the Internal Quality Assurance Cell (IQAC) of Rani Anna Government College for Women, Tirunelveli.

The camp that concluded on March 2 was organised under the National Implementing and Monitoring Agency for Training (NIMAT) programme of Department of Science and Technology, Government of India. The main objective of the programme was to give awareness and hands-on training for the students of science stream on entrepreneurship.

The participants were taught about institutional finance, dairy farming, poultry farming, goat rearing, and mushroom cultivation. They were also given hands-on training on baking, key-chain making, banana fibre products, and preparing milk sweets and meat products.

They also received training on how to produce small industrial products such as pain balm, oma water, soap, shampoo, and talcum powder.

A total of 82 science students have benefitted from the programme. Awareness building was given by eminent professors from Tamilnadu Veterinary College and Research Institute, Ramayanpatti, Tirunelveli, and Agricultural College and Research Institute, Killikulam. Similarly, the training was given by various experts from the respective fields. An industrial visit was arranged to the Department of Livestock Products Technology of Tamilnadu Veterinary College and Research Institute. CV Mythili, Principal of the college and V Darling Selvi, IQAC coordinator were present.

Hands-on training

The participants were given hands-on training on baking, key-chain making, banana fibre products, and preparing milk sweets and meat products, and producing oma water, soap, shampoo, and talcum powder
